

The Knutsford team is headed by Geraldine O'Donnell who is a highly experienced litigator with over 15 years experience and also a visiting lecturer for the College of Law.

Our aim is to work closely with you to ensure that your disputes and claims are resolved as swiftly and as economically as possible. We work in partnership with our clients firstly to explore the possibilities of avoiding dispute but, if dispute is inevitable, then to utilise litigation and if appropriate mediation procedures to resolve disputes and contractual claims.

An important aspect of our approach is to ensure that our clients are kept informed on a continuing basis of the cost implications if the advice given, and of the action to be taken.

Our services include:

- boundary disputes
- building disputes
- residential landlord and tenant dispute
- consumer disputes
- contentious probate and inheritance claims
- contractual disputes
- debt collection
- property disputes
- professional negligence claims.

We will consider with you the various methods of funding litigation and dispute resolution which may be available to you and your particular circumstances.

We will give you regular costs updates to help you budget for resolving your dispute.
